

# Nuevo Water Company Accepted Tester List

March 16, 2025

Note: The backflow testers identified below are certified by the Riverside County Department of Environmental Health and have also complied with the requirements set forth by the Nuevo Water Company Cross-connection Ordinance. Nuevo Water Company does not endorse the work or performance of these backflow prevention assembly testers and has no responsibility or liability for the work they perform. The work performed is a contractual agreement between the account holder/owner and the backflow assembly tester. Nuevo Water in no way guarantees or warranties the work performed.

|                      |            |                         |                             |                  |                |
